

Towne Centre Retail

Mt. Pleasant, SC

Located in Town Center, Mt. Pleasant, SGM had to design a building that would reflect the characteristics of the adjacent buildings yet have a unique look of its own. The front and the back of the building both had major entries which needed to be considered in the design. The break up of the massing helped to address this issue, and gave the 7,700 square foot building a understandable composition to its appearance and functionality.
